## CLINTON HIGH COURSE SCHEDULE REVIEW and PARKING PASSES

The Administrative and Guidance staff of Clinton High School has prepared student schedules based on the course selections made by the students during the spring. We are scheduling the following days for schedule review and adjustment as needed. In some cases, the course selections would not work in the student's schedule. In such cases, we used the alternate courses selected by the student. On Monday, August 7, you may review your schedule on the PowerSchool Portal. We will not be mailing schedules home. Use the following criteria to determine if you need to adjust your schedule after the online review.

- If students did not complete the course registration in Power School, or
- The schedule has less than eight (8) courses (four each semester). Counselors will adjust schedules as needed if students do not attend the appropriate schedule review day
- The appropriate required coursework and electives that will complete the student's course of study is missing. When this occurs, the guidance counselor's recommendation is final.

If you did not receive a complete schedule of 8 courses (4 each semester), you will also need to attend the appropriate schedule review day. The dates will be as follows:

Wednesday, August 9 <sup>th</sup> :	<b>Seniors (12<sup>th</sup> grade)</b>
Thursday, August 10 <sup>th</sup> :	<b>Juniors (11<sup>th</sup> grade)</b>
Monday, August 14 <sup>th</sup> :	<b>Sophomores (10<sup>th</sup> grade)</b>
Tuesday, August 15 <sup>th</sup> :	<b>Freshmen (9<sup>th</sup> grade)</b>

The time is 8:30 AM – 5:00 PM each day.

Parking passes will be sold at school during the same days as your schedule review day. Be certain to read, sign, and complete all parking pass information online prior to arriving. Officer Oates will not be able to process applications that are incomplete.

Enjoy the remainder of your summer. We look forward to seeing you in August.
