RE: CHS on Early Dismissal 1:00 pm during Exam Week (June 4th through June 8th)

Dear Parents/ Guardians of CHS Students,

This letter is to inform you that Clinton High School will be on early release on exam week (June 4th through June 8th). The early release ensures that teachers will be able to provide special targeted tutorial and remediation sessions from 1:00 pm until 2:30 pm each day.

Teachers will request certain students with the greatest need to attend these special sessions to help them better prepare for their upcoming next day’s exams. In addition, any students who wish to take part in these tutorial/remediation sessions are welcome to attend voluntarily. We will have bus transportation for students that stay for tutoring/remediation.

As always, we ask that you encourage your child to take advantage of any opportunity he or she has to better themselves at Clinton High School. In order that you are prepared for exams, the schedule is included. EOC, NC Final Exams, and CTE Exams will be administered during the last five days of the spring semester.

Monday, June 4 th	Tuesday, June 5 th	Wednesday, June 6 th	Thursday, June 7 th	Friday, June 8 th
1 st Block Exams <i>Early Release</i> 1:00	2 nd Block Exams <i>Early Release</i> 1:00	3 rd Block Exams <i>Early Release</i> 1:00	4 th Block Exams <i>Early Release</i> 1:00	Make Up Exams <i>Early Release</i> 1:00

As a parent and/or guardian these helpful tips will best prepare your child for their exam:

- Make sure your child arrives on time to school and is in attendance for all exams.
- Ensure your child gets plenty of rest and eats a good breakfast before their exams.
- Have your child take full advantage of any volunteer and/or required remediation/tutoring scheduled for this week and next.

Thank you for all of your help and support during our exams. It is vital that we increase academic growth and proficiency in all of our exams and that students represent Clinton High School in as positive a manner as possible. Please contact Clinton High School administration if you have any questions or concerns.

Sincerely,

Nicole Freeman
Assistant Principal & Testing Coordinator
